

Announcing the 2020

Merit Shop Construction Award Winners

Associated Builders & Contractors
of Indiana/Kentucky

BUILT ON MERIT, PERFORMANCE, AND INTEGRITY.

Associated Builders and Contractors of Indiana/Kentucky annually hosts the Merit Shop Construction Awards which recognizes those companies and individuals whose merit, performance, and integrity have made an impact on our industry. Their proven ability, their effective leadership, their adherence to high professional standards make them worthy of such awards. The following projects have received awards in their respective category based on recommendations from a panel of industry experts.

Join us in acknowledging these contractors, their employees, and the construction teams that made these high quality projects possible.

ABOUT ABC

Associated Builders and Contractors is a national construction industry trade association representing more than 21,000 members. Founded on the merit shop philosophy, ABC and its 69 chapters help members develop people, win work and deliver that work safely, ethically and profitably for the betterment of the communities in which ABC and its members work.
